

RIDDHIMA
weds
SREEJIT

To our dear ones,

Some days are just meant to be dearer and nearer to the ones we love, not because they're perfect, or grand, or planned to the tiniest detail but because they're full of love, full of joy, and full of heart.

Our Riddhima, the only daughter in the family, the one who's been pampered and loved beyond measure, our Riddhima who is a piece of all of our hearts is getting married!

After ten beautiful years together, she and Sreejit are ready to start a new chapter. And while our hearts are bursting with joy, we'll admit there's also a tiny bit of misty-eyed emotion in the mix.

Because this isn't just a wedding. It's a moment we've envisioned a thousand times... and now the moment has come . Full of memories, Full of music and full of joy.

We've poured our hearts into making this celebration feel like a part of all of us, warm, full of love, and wrapped in laughter. And truly, it won't be complete without you.

Would love to see you bring your hugs, your dance moves, your appetite, and most dearly, your blessings.

*With all our love,
The Chowdhury Family*
